

City of Clyde Hill

Annual Parade of Pumpkins

Starting 10/25/2018

Select a pumpkin*, carve or decorate it at home, then **BRING IT BACK**

between October
29th - 31st for display in
the celebrated
Parade of Pumpkins.

* Pumpkins are provided to those wishing to participate in the event. If you take a pumpkin, please do so with the intention of returning it back to City Hall.

Thank you!

Hay bales will be set-up on the grass area (west of the City Hall parking area) in front of the Clyde Hill Elementary rock sign. The City will take care of lighting your pumpkin. Everyone can participate, young and old. It is an amazing sight after it gets dark - bring all your friends and family to see it!

Please thank the Bellevue Village QFC for their generosity in providing us the pumpkins to carve!!!
