Traffic Committee  
City of Clyde Hill

April 17, 2017

Dear Traffic Committee,

Unfortunately, I was out of town and unable to attend the April 11<sup>th</sup> meeting.

My residence is on a lane that runs into 14<sup>th</sup> Street. In my opinion, 14<sup>th</sup> Street currently **does not** suffer from any particular traffic problem and I would **not like** an LED radar sign on the street. I realize such a sign on 14<sup>th</sup> Street currently is not in your plans and I would like to keep it that way.

I find those LED radar signs unsightly and superfluous. All cars already have a speedometer.

Thank you for your understanding.

Regards,

A handwritten signature in black ink, appearing to read 'Ron Slattery', with a long horizontal flourish extending to the right.
