

Clyde Hill Days

Virtual Celebration 2020

Clyde Hill is a fabulous place to live!

Hello Citizens of Clyde Hill!

- This is the usual time of year where we would gather for different events to celebrate our great city of Clyde Hill and come together as a community. Unfortunately the Stay Home, Stay Safe/Safe Start proclamation forbids large gatherings so we had to cancel our annual celebration this year.
- I hope you and your family and friends are staying safe and coping as best as you can during these continued stressful times.
- Continue to wear your facemasks, if able, and continue to keep a 6 foot distance from others. Many are also using eye protection when headed out in public, which is a fantastic way to protect your eyes. Don't give the COVID-19 droplet any chance to infect you.
- Despite our lives being defined by the pandemic these days, I wanted to take a moment to share some beautiful pictures of our city. We can still **celebrate**, virtually!
- I am grateful for my wonderful home, a safe and gorgeous city, and the blessings of family and friends. Pause for a moment, too, to be thankful!

which he has imagined,

We'll Handle Your Bulk Trash & Junk Removal

Some items are too large to fit in your trash container. We know you don't always have the time or ability to dispose of your large, bulky waste items. Junk removal and bulk trash is our job. We'll arrange for convenient bulk trash pickup – including appliance pick up, furniture removal, and mattress pick up – so you don't have to worry about it.

Clyde Hill Strong!
