Variance Request #LUA2023-0023

William Browne, 1520 90th PL NE, Clyde Hill, WA 98004

A single family residence with a detached garage was legally constructed in 1982 per Clyde Hill municipal codes. A variance is requested to the current CHMC 17.16.050 for side yard setbacks and 17.16.040 for rear yard setbacks. This request is to allow the northern portion of the existing home to encroach 2.0 feet into the required 15-foot side yard setback. The existing southern roof overhang to encroach 5.96 feet into the required 15-foot side yard setback. The eastern portion of the existing detached garage to encroach 25.0 feet into the required 35-foot rear yard setback.

This hearing will be open to the public and public testimony will be permitted. Written comments will be accepted at City Hall up until the time of the hearing. A copy of the application, all documents and evidence relied upon by the applicant and applicable criteria are available for inspection or copying at the cost of the requestor. A copy of the staff report will be available for inspection at no cost at least seven days prior to the hearing and copies will be provided at the requestor's cost. If you have any questions about this application, please contact Darby Swayne, Code Compliance Officer, at 425-453-7800 or darby@clydehill.org.
