## Clyde Hill City Celebration/Movie Night: Friday, August 19<sup>th</sup>

The City Celebration/Movie Night is scheduled for Friday evening, August 19<sup>th</sup> at the Clyde Hill Elementary School Field.

On Friday night, beginning at 6:00pm, join us for some fun field activities! At Dusk, there will be a showing of the Disney film Encanto on a giant outdoor screen! Please join us to see your neighbors, meet City Staff, talk to the Police Officers and simply have fun!

### Hot Dogs Are Not Cool

Animals cannot sweat like humans, and they are vulnerable to overheating quickly, especially when the temperature rises above 80 degrees. Be sure your pets are ready for the summer heat with these safety tips:

- Be sure to provide plenty of fresh, cool water to pets, and shade from the sun.
- Though pets still need exercise during warm weather, take extra care when exercising older dogs, short-nosed dogs, and dogs with thick coats, as they are especially vulnerable to overheating.
- On very hot days, limit walks to early morning or evening hours. Remember that asphalt gets very hot and can burn your pet's paws.
- NEVER leave your pet in a car on a hot day. In sunny weather, the temperature inside a car can quickly rise to 120 degrees or more, even with windows left slightly open. Animals left in a hot car, even for just a few minutes, can suffer from heat stroke, brain damage, or death.

The City of Clyde Hill and Town of Yarrow Point contract with Regional Animal Services of King County (RASKC) for animal control services. If you see a pet in distress from the heat, call 9-1-1 or 206-296-7387

### Possible Change in Form of Government

The November 8, 2022 ballot will ask the voters of Clyde Hill to choose between adopting the Council-Manager form of government, or keeping the current Mayor-Council form of government. This ballot item is the result of a petition from Clyde Hill residents. After King County's Department of Elections verified the sufficiency of the signatures on the petition, the City Council, at the June 28, 2022 Special Council Meeting, selected the November 2022 election date. For more information, please visit our website: [www.clydehill.org/cfginfo](http://www.clydehill.org/cfginfo)

### Secure Shredding

The City's shredding event will take place on Saturday, September 17<sup>th</sup>. Bring your sensitive paperwork to be destroyed.

**Where:** The truck will be in the Clyde Hill Elementary parking lot.

**When:** 9am - 12pm

### Comprehensive Plan Update – Input Needed!

The City is currently soliciting input from residents about updating its Comprehensive Plan. The Comprehensive Plan is a dynamic process with many opportunities for input and involvement from residents. Contact us with questions or interest. There is an opportunity for residents at the August 19<sup>th</sup> City Celebration to fill out a short survey that asks for opinions regarding shared values and priorities of the community. To read more about this solicitation and/or to find out more about this important process, please visit: [www.clydehill.org/2024plan](http://www.clydehill.org/2024plan)

### Keeping our Stormwater Clean this Summer

Did you know that you can help keep Stormwater and our local waterways clean all year long? Fertilizers and pesticides are a primary source of pollutants in summer months. Check out the "Natural Lawn Care Guide" in the link for tips to help get you started down a different route: [eDownload.aspx \(pugetsoundstormgroup.org\)](http://eDownload.aspx(pugetsoundstormgroup.org))

## Five Steps To Natural Yard Care

**Build healthy soil**

**Plant right for your site**

**Practice smart watering**

**Think twice before using pesticides**

**Practice natural lawn care**
