May 2022

Save the date for the 2022 City Celebration: Friday, August 19th

We will be having the City Celebration the evening of Friday, August 19th at the Clyde Hill Elementary School. Save the date, more details to come!!

Clyde Hill 2022 Cleanup!

The ever popular annual clean-up event will be here soon! June 9th and 10th is your opportunity to place bulk items, extra furniture and yard waste out for pickup. Bulk items that are not in good shape for re-use or recycling will be accepted. Extra yard waste is accepted in paper bags, cardboard boxes or customer-owned sturdy cans 32 gallons of smaller and labeled "yard waste". This pickup will occur during your regularly scheduled pickup day. Please have your items to the curb by 7:00AM.

****No automotive parts, construction debris, hazardous waste, chemicals, tires, large appliances or electronics will be accepted****

Please call Republic Services at (206)682-9730 or visit

Summer Trimming:

With Summer beginning soon we are seeing a lot of new plant growth around town. Trees and shrubs provide many benefits to our community, but need to be properly maintained to ensure free and clear passage along our streets & walkways. Clyde Hill Municipal Code 8.20.010 (Vegetation) and 8.21.020 (Street Trees) both describe the maintenance responsibilities of property owners for plants on, or abutting, their property. This includes ensuring proper clearance heights and preventing plants from encroaching onto streets & walkways. A quick review of the landscape around your property will help to keep things clear. Just remember to pick up those clippings and to please not blow debris out into the street. Thank You!

Volunteer to Serve as a Member of the Clyde Hill Budget Advisory Committee

Would you like to serve your community? Do you have an interest in budgets and finance? Do you want to better understand how your tax dollars are spent? The City of Clyde Hill is seeking available residents, stakeholders and businesses to guide and advise the City Council and Mayor on development of the 2023 Budget. If you have interest or questions about the process, please contact Courtney Benjamin at courtney@clydehill.org or call 425-453-7800. Anticipate three meetings held in a remote or hybrid environment over the course of 4 months. No prior experience is necessary; just a willingness to ask questions, learn and share to make your community the best it can be!

Helpful Tips For Washing Your Car This Summer:

When you wash your car, the rinse water collects harmful gunk like oil, grease, heavy metals and soaps. If you wash your car on the street or on your driveway, the rinse water runs on the street and into the storm drain, and then flows untreated into our local creeks, lakes, rivers and Puget Sound. Here are two things you can do instead:

- Take your car to a commercial car wash. Commercial car washes are required to treat their dirty wash water.
- If using a commercial car wash isn't an option, wash your car in a grassy area. The grass and soil will soak up the wash water, preventing it from running down the street into a storm drain.

Use a Commercial Car Wash

Wash over lawn or gravel

Use towels to divert to soil/landscape

Comprehensive Plan Update Process:

Please be on the lookout for opportunities to provide input on this important land use process starting late summer!

Interested in Attending City Council Meetings?

Clyde Hill holds city council meetings at 7:00PM every second Tuesday of each month. Topics such as Municipal Code proposals and updates, Public Works projects and important information that affects our community. If you have something you would like your city council to hear, come and participate in Public Comment to voice your questions, concerns or suggestions that could help improve our City. All Clyde Hill residents are encouraged to attend! More information can be found on our website: www.clydehill.org under "Calendar and Agenda Packets"

City of Bellevue Overlay Project

Public Works had a great start to Spring with the completion of the 2022 Overlay project. Design work for our 2022 Stormwater improvements is underway with construction expected later this summer and into the fall. Also coming up soon, City of Bellevue will be completing their asphalt overlays on Clyde Hill streets that had recent water main replacements. If you live on one of these streets please take a look at the vegetation around your yard near the road. Hedges, bushes, and trees will need to be cleared back 12-18 inches from the roadway so that the asphalt work can be completed. Notices will be distributed soon.

Going on Vacation?

If you will be away from your home for an extended time and wish to have extra patrols done in your neighborhood, please notify the Clyde Hill Police Department by completing a House Watch Request Form. Please be advised, a house watch is not a guarantee of security for your residence or any property thereon. Forms can be dropped off in person at the Clyde Hill PD lobby or via email to police@clydehill.org
