March 2020

## *Greetings Clyde Hill!*

It is my distinct honor to address you, the residents of Clyde Hill, for the first time as your mayor.

I am honored to take the reins from Mayor George Martin, and do so in appreciation for all his years of service, leadership and support.

I also would like to thank Barre Seibert for his more than 29 years of public service, as he recently completed his work as city council member.

I am excited to work with new and returning city council members, and soon to fill the city council position that I vacated once I took office as mayor. I am prepared and excited to start this journey.

I am impressed with the dedication and expertise of our city hall staff and police force. We all have the main goals of keeping Clyde Hill safe, secure, beautiful, functional, as well as promoting a strong sense of community and pride.

Being efficient in what and how we do our duties and sustaining solid working relationships with our local, state and regional leaders and resources will keep Clyde Hill poised for our future success.

Thank you for your support. I look forward to serving you and the city of Clyde Hill.

**Marianne Klaas, Mayor City of Clyde Hill**

## 2020 Construction Projects

The 2020 public works projects for the year are:

- **Overlays:** Multiple streets will be re-surfaced this year.

## Get Your Tax Return in Early

A lot of people seem to wait until the last minute to get their tax return in. Over the past few years there has been a nationwide spike in fraudulent tax returns. Identity thieves file false returns early in the season to collect refund money, which results in a mess that can take months for the true taxpayer to correct. The Police recommend filing your return as early as possible, before the criminals do it for you!
