

Message from Mayor Klaas

These have been extraordinary times. Just when I think it can't get any more complex, another "issue" arises. I actually think this year is perfectly numbered—2020. If all that has gone on doesn't cause one to gain clarity of values, insight, and vision, then what will it take? Instead of complaining about home isolation, use that time to learn a new skill

such as language or cooking. It warms my heart seeing so many families collectively taking walks around the neighborhood and the "smiles" on the family dog getting one of it many jaunts in for the day- this shows me we are trying to make a difficult situation work.

During this time, I am also reflecting on my personal biases and cultural upbringing and making sure I open my heart and mind. There is always room for improvement. As your Mayor, this is equally important as we look at our ordinances, policies, and practices of local government as well as those of our police department. With that, it is important to note that Clyde Hill Police Department exceeds minimum State requirements for practices, policies, and training and opens itself up for external review by accrediting bodies. Transparency and a willingness to do better are key.

I'm proud to have Clyde Hill stand strong and proud among the Sound Cities Association to denounce racial injustice. We all must to our part to better the quality and safety of *all* lives. Let's make 2020 the best year ever. It's not too late.

Medical lab tech Katie coughed on two petri dishes, one while wearing a mask, and one without wearing a mask. (From her public Facebook post.)

Wear a mask! It works!

A successful **Safe Start** means we all have to do our part.

It's safest to stay home.

BUT IF YOU HEAD OUT:

Wear a mask.

Stay six feet apart.

Wash your hands.

Prevent the spread by staying local.

Welcome Officer Fernandez

Please welcome new officer Frankie Fernandez to Clyde Hill! Frankie says: I was born and raised on the beautiful island of Guam, so the Pacific Ocean is my home.

Prior to my law enforcement career, I served in the Army for nine years and did two overseas combat tours. During that time I achieved Honor Graduate Awards for

various schools and courses. I enjoy being outdoors, love to cook and grew up excelling in sports such as football, baseball, rugby, paddling, and Jiu-Jitsu.

Prior to joining the team here in Clyde, I served for three years with the Tulalip Police Department. I bring with me my experience as the head of the Property Crime Task Force in Tulalip.

I enjoy the community aspect of policing and look forward to serving the people of Clyde Hill and Yarrow Point.

Unemployment Claims Fraud

Recently, the State saw a huge increase in unemployment claims fraud. Some residents received a letter from the WA State Employment Security Department saying they successfully applied for unemployment, when in fact they had not applied.
